Presidents Corner: Well guys, it's early October and besides golfing, hunting, and fishing old Mother nature is trying to make Mt. Hood white for us. As we know this early snow doesn't stay around for long. But now is a good time for us to get our ski equipment out and look it over for safety problems. Check your helmets for cracks or wear from those large heads. Check your boots for cracks, and make sure all the buckles are working properly, and of course check your skis and bindings, repair bases edges and wax 'em up. There were approx. fifteen guys at the Hyw cleanup. Thanks to all of you that participated. We had Deer sausage before the shotgun shoot began and a great BBQ at the end. Tom Templeton came in first place, Ed Rodgers was second and John Brighton third. **Our next meeting is at the Buffalo Gap, Oct 13th, doors open at 615p and the meeting starts at 7p.** Dave Rasmussen

Golf and Cows: A man walks into an emergency room with two black eyes and a broken nose. The doctor asks him what happened. "Well," says the man, "I was having a nice round of golf with my wife. She sliced her ball into a pasture of cows. We went to look for it and while I was rooting around I noticed that one of the cows had something protruding from its rear end. Sure enough, when it lifted its tail there was my wife's golf ball." "And?" said the doctor. "Well," the man said, "that's when I lifted the cow's tail pointed and yelled to the missus, "Hey honey this one here looks like yours!"
