**Presidents Corner:** Hey Guys! Well the snow has begun to fly some has stayed and some has melted away, but it's a good sign that our ski season is just around the corner. Last issue I spoke about getting your equipment ready for the punishment you are about to dish out. Well that punishment is not only applied to your equipment it also is going to be felt all over your bodies, and in most of our cases our bodies are not the temples they were even a few years back. So if you haven't figured it out, and you haven't been doing your cardio, weight training, and stretching it won't hurt, as much, to put in a little time each day to get that temple of yours in good working order so it can perform like the well oiled machine it can be and reduce the risk of those nagging and season ending injuries. Don't forget it's a vote night next meeting so I hope to see you there. We will vote on; Bob Lawrence, Tom Reynolds and Aubrey Lyons, so you guys need to be there. **Our next meeting is at the Buffalo Gap, Oct 27th, doors open at 615p and the meeting starts at 7p.** Dave Rasmussen

**The Bank Robbery:** A guy walks into a bank in Burbank gets in line and when it's his turn he pulls out a gun and begins robbing the bank! To make sure he will leave no witnesses he turns around and asks the next customer in line, "Did you see me rob this Bank?" The customer replies, "Yes!" He raises his gun points it at the customer and shoots him between right the eyes. The next customer gets with the program' and replies, "No! I never saw a thing!" Then the robber moves to the next customer in line and says to the man, "Did you see me rob this bank?" The man calmly responds, "No! I did not, but, my ex-wife behind me did!"
