THE SCHNEE VOGELI SKI CLUB

GREEN BUZZARD

President's Corner:

Hi Fellas,

What a fantastic summer! I'm looking forward to seeing many of you at the club golf tourney and picnic on August 12th, always a good time.

Both Meadows and Bachelor have been replacing lifts this summer. Meadows is changing Mt Hood express to a six person lift. Also, they are re-aligning so that you of-fload further away from Elevator to allow access to North canyon from both sides of the chair. Bachelor has been working to install a new six-pack detachable chairlift at Sky-liner. Should make for better skiing at both resorts.

Hope to see you all soon!

Bob

The SVSC Golf Tournament is happening on Saturday, August 12. We'll hold a shotgun start at 7:30am at the Mt. Hood Oregon Resort. Stay tuned for further notices, we'll also be sending out the tourney rules to everyone. Afterward, head on up to Trails Mix cabin in Govy for the picnic and Horseshoe tournament.

His & Hers Golf Tournament will follow shortly afterward on Saturday, August 26th. Tee time will start at 10:30am at the Mt. Hood Oregon Resort. Last update from Don indicated that there were some ladies who are willing to golf with any of you who don't have a partner. So feel free to ask if you're interested in participating.

Schnee Tee Shirts and other merchandise are being sold by Ed Carman. Recently, our friendly club president sent out a notice that Ed is ordering some new Schnee hats. Check your inboxes for a chance to jump on this opportunity. Please feel free to reach out to him or myself with any inquiries. His contacts are able to provide logo printing on virtually any article of clothing you could wish for. So, whether you're looking to represent the club at a local sporting event or if you'd like your wife/girlfriend to represent in the bedroom, we've got you covered.

Show Me the Money

A boss said to his secretary I want to have sex with you and I'll make it very fast. I'll throw \$1000 on the floor and by the time you bend down to pick it I'll be done.

She thought for a moment then called her boyfriend and told him the story.

Her boyfriend then said to her, "Do it but ask him for \$2000, if you pick up the money very fast he won't have enough time to undress himself."

So she agrees. Half an hour goes by, the boyfriend decides to call girlfriend, he asks, "What happened?"

She responds, "The bastard used coins."

The Bar

A man & his wife are having dinner when a beautiful woman approaches their table and kissed the man on the cheek and walks away. His wife asks, "Who the hell was that?"

He replies, "My mistress..."

His wife shouts, "What? I want a divorce!"

He calmly replies, "Fine. But remember, you signed a prenup. If we get divorced that means no more vacations, no more shopping trips, no more credit cards, and no more beautiful house or car. But it's up to you."

She looks at him for a moment then notices one of their mutual friends entering with a beautiful lady, "Who's that with John?" she asks.

He tells her, "That's his mistress."

His wife smiles, "Ours is prettier."

Law Enforcement Challenge

The federal government releases a rabbit into a forest and tells the FBI, CIA, and LAPD that whoever successfully finds that rabbit in three days would become the official law enforcement agency for the entire country.

The FBI combs the forest from top to bottom with their own agents, searching at and below ground level as well as with helicopters above, but fail to find the rabbit after three days.

The CIA covertly sends operatives to scour through the forest, using every resource available to gather intelligence, but fail to find the rabbit after three days.

The LAPD's officers enter the forest. Three days later, they drag out a bear and are beating the crap out of it. After several minutes of nonstop beating, the bear finally screams, "Fine, fine, I'm the rabbit! I'm the rabbit!"
