President's Corner:

Hi Fellas,

Great to see so many at the last meeting! We need a big group to meet the room minimum so keep coming. Remember you are always welcome to bring prospective members, no need to pre-arrange. Funny weather the past few days with a dusting of snow at many hills but sun and warm temps headed our way.

The forecast is for warm winter but I'm feeling a big snow year!! Remember to come up for Pray for Snow on November 4th at Charlie's. See everyone at the meeting next week!

Gütten tag,

Bob

The Truck Driver

A truck driver would amuse himself by running over lawyers.

Whenever he saw a lawyer walking down the side of the road he would swerve to hit him, enjoy the load, satisfying "THUMP", and then swerve back onto the road. (at this point some of you are probably wondering how the trucker could distinguish the lawyers from the humans.

Obviously he saw the trail of slime they left!) One day, as the truck driver was driving along he saw a priest hitchhiking.

He thought he would do a good turn and pulled the truck over.

He asked the priest, "Where are you going, Father?"

"I'm going to the church 5 miles down the road," replied the priest.

"No problem, Father! I'll give you a lift. Climb in the truck."

The happy priest climbed into the passenger seat and the truck driver continued down the road.

Suddenly the truck driver saw a lawyer walking down the road and instinctively he swerved to hit him.

But then he remembered there was a priest in the truck with him, so at the last minute he swerved back away, narrowly missing the lawyer.

However even though he was certain he missed the lawyer, he still heard a loud "THUD".

Not understanding where the noise came from he glanced in his mirrors and when he didn't see anything, he turned to the priest and said, "I'm sorry Father. I almost hit that

lawyer."

"That's okay", replied the priest. "I got him with the door!"

Husbands and Wives

A husband and wife are having a quiet evening at home alone.

They sit at the table sipping wine, eating savories, talking and generally relaxing.

The wife suddenly whispers, "I love you."

Husband in disbelief says, "Is that you or the wine talking?"

Wife, "It's me talking to the wine!!!!"

A Horse Walks into a Bar

On this farm, there's a cow, a chicken, and a horse, and the three of them are best friends.

They do just about everything together. And one day, they're sitting at the window of the house, and the farmer's kid is watching MTV, and they're watching it, and they hear the music, and the horse says "you know what? I'm gonna learn how to do that."

So the horse calls up Guitar Center, and he says to the guy on the phone, "Hey, listen. I wanna learn to play guitar."

Guy on the phone says "no problem. Come on down."

"No, there might be one problem. I'm a horse."

"Naw, it ain't a problem. We'll get some attachments, I can teach you to play. Promise." So horse turns out to be a natural. He gets GOOD. And he calls over Cow and Chicken and he's like "LOOK WHAT I CAN DO" and he jams out like Jimi Hendrix. And Cow says "holy shit. That's awesome. I want to learn to do something like that too. What's like that?" And horse says "Bass. Learn to play bass."

So Cow calls up Guitar Center, and she says "Hey, listen, I wanna learn to play bass guitar."

Guy on the phone says "No problem, miss, come on down."

"Eh, this might be a problem. I'm a cow."

"Nah, no problem. I helped a horse recently, I can teach you to play too. Promise." So Cow learns to play the bass, and Cow is fucking amazing at it. So Cow and Horse are jamming, and Chicken gets a bit jealous. He says "Damn, I wanna learn something too. But not like that."

Horse says "Well, I mean, we need a drummer around here."

So Chicken calls up Guitar Center, and he says "Hey, listen, I wanna learn to play drums."

Guy on the phone says "No problem, man. Come on down."

"Eh, maybe a problem. I'm a chicken."

"Naw. Ain't no thing. I taught a horse guitar and a cow bass. I can teach you drums."

So chicken learns the drums, and he's fucking amazing.

So Cow, Horse, and Chicken all start having jam sessions whenever the farmer's out. And one day they're playing, and a big record agent is driving down the road. And he hears them, and he's like "what the fuck? that sounds amazing." so he stops at the farm, and he finds them all playing in the barn. And he says "Holy shit. You guys sound AWESOME. I wanna represent you, make this a real band, make some music. You're gonna be HUGE."

So Cow and Chicken and Horse take this guy's deal, and they move to the city, they cut albums, and they're big. REAL big. Top 10 hits, platinum albums, the works. They get set for their first tour.

But there's a problem, see. Horse gets a phone call, his mom's real sick. Cow and Chicken, though, they're cool as hell. They say "Listen. Go see your mom. We'll delay the first show a couple of days, so fly back home, spend some time with her, and then jump on a plane and come meet us."

Horse says "Thanks, guys. you're the best," and he takes off.

Couple of days later, Horse's mom is just fine. Turned out to be a real bad cold, she gets over it, and he spends another night there. The following morning, he gets a call. It's his agent. Cow and Chicken's plane went down, they died in the crash. The band is done. he's lost his best friends. And horse, this breaks him, man. He's been through so much with them, and he feels real down in the dumps. So he takes a walk, and while

he's on that walk, he just can't shake the blue, so he figures to himself "Alright, alright. One drink, just to get over it."

So Horse walks into the local bar.

Bartender looks at him and says "Hey. Why the long face?"
