President's Corner:

Hi Fellas,

What do you think, will we have a warm, wet year or get lots of snow? Don't forget to get your season pass the deals are quickly going away. I saw an add from Ski Bowl the other day. Seems they might be planning more day time operations. Anyone hear something along those lines? The FIS predictor challenge seems to be getting reset so I'll let you know when its back online. We have a had a few new guys at the last couple of meetings, let's keep them coming. Meetings have been full and lots of the usual chatter. Don't miss another one, make sure to be at the next meeting.

Gütten tag,

Bob

Post Op

After her operation, the famous movie star was propped up in bed in her private room as the doctor did his rounds. "Tell me, how are you feeling now?" he asked.

A lot better, thank you," purred the star in reply. "But one thing does bother me. When will I be able to resume a normal sex life?"

"Oh, that's rather hard to say," said the doctor. "I've never been asked that after a tonsillectomy before."

The Teacher's Dress

Little Johnny comes home from Sunday school with a black eye. His father sees it and says, "Johnny, how many times do I have to tell you not to fight with the other boys?"

"But Dad, it wasn't my fault. We were all in church saying our prayers. We all stood up and my teacher in front of me had her dress in the crack of her butt. I reached over and pulled it out. That's when she hit me!"

"Johnny," the father said. "You don't do those kinds of things to women."

Sure enough, the very next Sunday Johnny came home with the other eye black and blue. Johnny's father said, "Johnny, I thought we had a talk!"

"But Dad," Johnny said, "It wasn't my fault.

There we were in church saying our prayers. We all stood up and my teacher in front of us had her dress in the crack of her butt.

Then Louie who was sitting next to me saw it and he reached over and pulled it out. Now I know she doesn't like this, so I pushed it back in!"

Choking on Change

A father walks into a bar with his son and gives him three pennies to play with.

Suddenly the boy starts choking. The father realizes the boy has swallowed the coins and starts slapping him on the back. The boy coughs up two of the pennies but keeps choking.

Looking at his son, the father panics and shouts to the bar's patrons for help. A well-dressed, attractive and serious-looking woman in a blue pantsuit is sitting at a table in the corner, reading a newspaper. At the sound of the commotion, she looks up, puts her cup down, neatly folds the newspaper and puts it on the table, gets up from her seat and makes her way to the boy.

The woman carefully drops the boy's pants, grabs hold of his testicles, and starts to squeeze and twist, gently at first and then ever so firmly.

After a few seconds, the boy convulses violently and coughs up the last penny, which the woman deftly catches in her free hand. As she turns to walk back to her seat, the father rushes over and starts thanking her.

"Thank you for saving my son, but I've never seen anybody do anything like that before. Are you a doctor?"

The woman replied, "No, I work for the IRS."
