Membership Dues: It's past time to pay dues for this season. You can still pay \$112.50 through the first meeting in January. After that, those who haven't paid (or made arrangements with Dale) will be removed from the membership rolls. You can mail to our PO Box, pay Dale directly if you see him, or contact Dale and he can send a payment invoice that allows you to pay with a credit card.

Reminder from Membership Director: New this year we have an electronic membership application available. This makes it easy to get new sign ups when not at a meeting. The form is simple, mobile friendly and anyone with the link can input an application. If you would like the link and want to help recruit the future of Schnee, let me know.

PACRAT Racing: PACRAT will once again be having a split-division 2022 race season that will include Friday and Sunday Division races (see scheduled below and posted on the PACRAT website (pacrats.org)). All races are expected to be day races starting around 10am, although Friday Ski Bowl races may start in the afternoon. The race schedule includes four Friday Division races, four Sunday Division races, plus a final Combined Division race on a Sunday to wrap up the season. Registration is online like last year and we will figure out teams once everyone who wants to do PACRAT

signs up. If you want to race for the club this year, sign-up under Ruttin' Rats for now. Go to the PACRAT website (pacrats.org) and follow the link to sign-up. Registration is limited to 125 for each session so don't wait until the last minute.

2nd Annual (Freshly Named) Seedy Petey Photo Contest: As with last year, and hopefully for years to come...

We are announcing the 2nd Annual SVSC Photo Contest. In honor of the winning photo from last year, membership made a motion and voted on naming the Photo Contest: The Seedy Petey Photo Contest.

Like last year I will be accepting any photos that our membership wants added to the competition. Photos are limited to this "season year".

Let them be funny, embarrassing, happy, or awe inspiring.

Please send them to historian@schneevogeli.com

Subject: Seedy Petey Photo Contest

I also encourage everyone to send any and all photos and videos that we should keep in memory for the club to me as well. We have a hard drive with lots of space. I want to fill it. So please send anything you feel should be added to the hard drive to historian@schneevogeli.com

If you have anything that may be older, please send with approximate year of the event or photo.

Schnee Tee Shirts and other merchandise are being sold by Ed Carman. Recently, our friendly club president sent out a notice that Ed is ordering some new Schnee hats. Check your inboxes for a chance to jump on this opportunity. Please feel free to reach out to him or myself with any inquiries. His contacts are able to provide logo printing

on virtually any article of clothing you could wish for. So, whether you're looking to represent the club at a local sporting event or if you'd like your wife/girlfriend to represent in the bedroom, we've got you covered.

Mother's Milk

A medical student is taking a test and one of the questions he sees is: "Name the three best advantages of mother's milk."

The student immediately writes:

"One: It has all the healthful nutrients needed to sustain a baby.

Two: It is inside the mother's body and therefore protected from germs and infections."

But the student can't think of the third answer.

Finally, he writes:

"Three: It comes in such nice containers."

It Happened to a Friend

A man came to be tempted and ordered, on the Internet, a product to enlarge the penis.

A few days later, he received a package by courier without any letterhead or logo that could make him suspect that it was. Inside the box came the invoice and a smaller package, with the product that he bought.

Once this inner package was opened, the man asked for an interview with his lawyer. As for the lawyer, I ask him if there is a basis to sue the seller. The lawyer looked at

the contents of the package and did not know what to answer, when verifying that the contents were a high-magnification magnifying glass.

The Rabbi

"Dave, I need your big favor as my best friend. I am heading to the rabbi's to have sex with his wife. Please keep him here for two hours. Ask complicated questions, follow up on the answers, trade stories... Whatever you can do to make him stay," the guy says.

David reluctantly agrees and goes to see the rabbi.

"Rabbi, I got myself into a predicament. My friend pressured me to prevent you from leaving here while your wife and he were having sex at your house. What is your advice?"

Rabbi: "Run home. I am not married."

- Credit for these jokes goes to Ron Reichardt and some random strangers from the internet.
